SPEAKING TOPICS

The Keys to Unshakeable Poise

Is something keeping you from the success you want and know you can achieve but you just can't put your finger on? You're smart, savvy and passionate about what you do, so what's missing? You haven't yet learned to tap into something within you that is much more powerful than your intellect. When you combine this invisible power with your personal intelligence, you are unshakeable.

The Decision Clarity Advantage

Do you want to be more effective as a business owner or corporate leader? The secret to unlocking the power within you is decisiveness. Learn the four levels of clarity and their impact on decision-making, productivity and leadership effectiveness. Discover how you can develop heightened decision clarity so you can experience effortless, stress-free success and personal freedom.

The Dangers of Feeling Like a Fake

Do you sometimes feel anxious and uncertain about your capabilities and value? Feeling like an impostor undermines your capacity for clear decision-making, bold action and smart risk-taking. Discover what nobody told you about where insecure feelings come from and how to reclaim your natural confidence as a business owner and leader.

"Marlene's presentation was the one most talked about at our conference." American Society of Interior Designers, New York, NY

"A captivating, interesting and thought-provoking presentation. I loved Marlene's style of speaking." Rachel Mendonca, BDO Canada

"Marlene is a wise, executive coach who can direct you and your thoughts to demonstrate your full capacity." - Patricia Morgan, Speaker, Author
